“My son wants to be baptized thanks to SQ camp. What a treat to hear as a mom when you pick them up from camp. The coaches show the kids that Jesus is a way of life not just a prayer or a devotional.”
 -St. Johns Camp

“I appreciated how welcoming & positive the staff was upon coming to the camp each day. I was so impressed by the ministry of SQ & the honesty in the message shared every day & the organized teaching of God's Commandments.”
 -Memorial Drive UMC Camp

“Although my son was in church weekly & we did home bible studies, he didn't accept Christ until SQ.”
 -Second Baptist Camp

“We cannot thank you enough for what SQ has brought into my son's life. Summer camp in Copperfield when he was 5 was one of the best decisions we ever made for him. From friendships, to soccer to his faithfulness to Christ, he wouldn't be the same kid he is today without it! God Bless You!”

SPORTS QUEST NEWS & UPDATES...

FAITH
— on the —
FIELDS™

A NEW BRANCH of Sports Quest designed to further the ministry. Since 1996, SQ has existed (and succeeded) purely as an on-field coaching entity. High quality soccer teaching has provided the environment for evangelism and discipleship. This has taken place within the frameworks of competitive team (club) training, summer camps, clinics and community events. While SQ has a reputation for excellence, we are mindful of the need to “remain current” in a climate where many recreational alternatives and opportunities exist for today’s young people

This new and exciting addition to SQ “Faith on the Fields” brings a whole host of ministry opportunities! From church events and birthday parties, to community outreach and SQ tournaments, the possibilities are endless as kids (and adults) enjoy the novelty of playing inside our portable arena! Contact SQ for rental information and availability!

“Faith on the Fields” written devotionals and curriculum developed over many years will be formatted to:

- Encourage and equip Christian coaches to live out their faith on the field
- Encourage and equip parents to enjoy the “journey” of youth soccer with their child
- Generate a revenue stream to support the ministry

Sports Quest continues to be the exclusive training organization for HCYA Hurricanes homeschool soccer program. As we enter our 6th year, we are excited for the 2017/2018 season, especially with the addition of several new coaches. The program continues to grow with the addition of a JV girls’ team this season.

Coming soon...!

Out with the old – in with the new! A dynamic, state of the art website to keep you up to date with all that’s going on at SQ. Stay tuned...!

*Thanks to all our supporters & ministry partners...
We couldn't do it without you!*

CREATING A LEGACY...

Over the past few months, the vision of leaving a ministry legacy of impact and sustainability has stirred our hearts to ask the question: "Why does Sports Quest exist?" To reiterate, our mission is to "Share biblical truth to reach, teach & encourage next generation leaders through soccer." That's it. No frills. Just an unashamed motivation to use soccer as a vehicle for ministry. But...We are dreaming **BIG** and we **NEED** your continued support. You may not be on the field, but you **CAN** be in the trenches with us! So, would you please prayerfully consider joining SQ on mission either through a one-time gift or by monthly support? Lives **ARE** being changed. Leaders **ARE** being developed. You and SQ **ARE** making a difference! Thank you. We are blessed and privileged to call you friends and ministry partners!
