

Sports Quest

Excellence in Christian Soccer Training Since 1996

Praise God!

THANK YOU to our "ministry partners" for blessing not only Sports Quest, but also countless children and families this year. Your prayers and financial support have had a deep and lasting impact on many lives, and we are forever grateful. We entered 2014 with eager anticipation and excitement at what the Lord would do through the game of soccer...

Summer Camps 2014

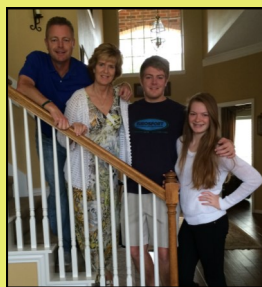

Almost 750 children attended camps this summer with over 150 indicating a first time commitment to Christ! Over 30% of campers received scholarships. A total of 52 staff/volunteers served as counselors/coaches & through our "second kick" program hundreds of soccer items were donated to domestic and foreign missions. *"I loved that the kids were pointed to Jesus & not just soccer everyday."* (Parent—SQ survey)

Jim & Debbie attended a leadership conference in Houston hosted by Phenomenal Products. In June they celebrated their 20th wedding anniversary. Joshua went to Honduras at Spring Break on his first mission trip & in August began a new chapter of his life at Stephen F. Austin University. Megan also went on her first mission trip to Florida with HFBC. She is now a freshman at Langham Creek High school & enjoys playing on the Freshman Volleyball team

Homeschool Soccer

Sports Quest coaches the boys & girls Varsity teams, as well as boys JV. Both Varsity teams have enjoyed considerable success this year, with the girls taking second place in the National Championships & "Soccer Fest". The boys were crowned State & "Soccer Fest" Champions. In spite of their talents & achievements, homeschool players remain consistent in their humility and desire to put God, rather than self, on display

Club Training - Texas United FC

Almost 150 kids heard the Good News of Jesus Christ in the club soccer environment! Forty players received our new "Leadership Award" & team successes included 1 First Place, 5 runners up & 4 advancing to playoffs. We look forward to working with TUFC next season, in what will be our 22nd year in Bear Creek Park

Ministry Enhancements in 2014

In addition to sharing Christ with more kids in 2014 than in the previous 3 years, Sports Quest made a number of significant advancements in the ministry. These include: New website design, social media presence on Facebook & Instagram, birthday cards to campers, referral program, encouragement cards, leadership awards, professionally produced camp highlight videos,

dynamic graphics (wrap) on the equipment trailer.

We were also blessed with new partners/affiliates (Houston Aces, Krueger & Catalano, Henley & Associates, Sports Authority)

Moving Forward

The 4 primary goals of Sports Quest in 2015 & beyond are:

- Enhancing the "Sports Quest experience"
- Expanding existing programs
- Creating new & innovative programs
- Partnering with like-minded individuals, ministries & businesses

It is our firm conviction that the Lord will continue to use Sports Quest in a very real & tangible way to touch lives with the gospel message. We are honored & privileged to serve as His ambassadors through the game of soccer. Will you join our team...?
