

*“Sharing Biblical truth to reach, teach & encourage next generation leaders through soccer”*

“Thank you for your continued service to the community. Your dedication is appreciated as it was when my boys trained with SQ. May God bless you.”  
**Mr. Z. Garcia (Parent)**

“SQ has provided powerful discipleship on & off the soccer field for my kids. The trainers are excellent coaches & also have a heart to see that all players hear the Good News of Jesus Christ. We are so very thankful for their ministry.”  
**Mrs. K. Day (Parent)**

**Sports Quest** is thankful for the last 21 years and the kindness shown to us by the Lord in allowing us to be part of a ministry that has shared the Gospel message with thousands of young people through soccer. We are privileged to be a part of the process of developing and equipping next generation leaders for Christ!

Sports Quest's commitment to developing next generation leaders begins by touching the heart of children as young as 5 years old with the Good News of Jesus Christ! We are fully aware that besides their parents, no other person has as much influence on a child's life than their sports coach. This is a responsibility we take very seriously, and simply put, it's why we exist. Evangelism, discipleship and relationships are the cornerstones upon which the ministry is built. We prepare well and we present the Gospel message faithfully and unashamedly at EVERY opportunity the Lord provides. Our mission is not just lifelong. It is life changing and it is legacy centered. Our desire is that Sports Quest will outlive its founders – that it will become even more impactful in the years and decades to come.

The past 12 months has been a terrific season of ministry for Sports Quest. Not only have we been able to reach, teach and encourage others with the Word of God, we've also been blessed to partner with some outstanding organizations, churches and para-church ministries including: Houston's First Baptist Church, Fairfield Baptist Church, North Oaks Baptist Church, St. John Lutheran Church, the Brook Church, Get Together Northwest Network, Tomball Pregnancy Center, Hope Beyond Bridges, M4 Network, Home Place of Texas, The Mission of Yahweh and Spring Spirit. Additionally, Sports Quest has donated soccer balls and equipment to children in Ethiopia, Zambia, Cambodia, South Sudan, Costa Rica, Ecuador, Guatemala and Ukraine. Ministry partnerships are allowing Sports Quest greater access to kids and families who need to hear the gospel and/or grow in their faith.

*"Leaving an impression is one thing, but leaving a lasting impact is another." Dr. Rick Rigbsy*

"Sports Quest is a first class organization that added an exciting addition to our annual church Fall Festival. Their inflatable soccer field was a highly visible attraction & was full of children playing for the entire event. We highly recommend SQ & this field for any church, organization or event looking for a fun, safe & positive experience!"

**Fairfield Baptist Church**

"Our church has had the privilege of having a very special relationship with Jim for many years, & it is wonderful to see the Lord use him, & Sports Quest for ministry. SQ came out with their inflatable field for a community event held at our church, & it was a hit! For 2 hours there was constant activity & kids playing; even the adults got in on the fun! The field provided a wonderful addition to an already fun event, & we are grateful to partner with SQ in Kingdom work!"

This is a critical time for Sports Quest as we prepare to increase and expand our impact for the Gospel
