Homeschool Soccer

Sports Quest concluded its 6th year as the official training group of HCYA Hurricanes (Homeschool Christian Youth Association) with 10 weeks of post-season training, ending May 3. Each session concluded with a message from Proverbs in our study "Quest For Wisdom" & was conducted in the beautiful, idyllic setting of North oaks Baptist Church in Spring.

Pre-season training starts early September & regular season training, for 6 teams, will resume in mid-October, consisting of 25 sessions & games against private/Christian schools in & around the Houston area.

Donations

Sports Quest had the joy and privilege of collecting & donating a variety of items to less advantaged communities both locally & overseas

- Soccer cleats & shin guards to Urban Outreach
- Soccer cleats to All Nations Sports Academy
- Soccer balls to Zambia
- Soccer uniforms to an adult men's team in Uganda
- Backpacks to Cambodia
- Backpacks for the back to school "Backpack Drive"

Golf Fundraiser

For the second year, Sports Quest was the recipient of funds raised by FASCO at their Annual Golf Tournament. A \$10,000 donation allowed us to purchase our newest inflatables: an awesome Soccer Challenge and a second (smaller) soccer field. We are now set up to

provide either a stand-alone soccer event within the community, or to enhance church & community events / fundraisers.

Announcements

There is soooo much more ministry to be done through Sports Quest, & we are blessed to be supported in many tangible ways!

- The addition of 3 new committees (camps, marketing & finance), will allow us not only to orchestrate future ministry opportunities, but also evaluate how to enhance existing programs as well as create new ones
- We are excited to partner with Coreluv to visit Haiti in February 2019 to conduct soccer clinics to orphans. This will hopefully be the first of many "outside the box" ministry involvements for SQ
- Our new, improved & user friendly website provides quick & easy access to everything you need to know about Sports Quest! Special thanks to Beefy Marketing for helping us put together a site we're proud of. Check out SQSoccer.com
- For the 3rd year, Sports Quest is recognized as an official ministry partner of HFBC, Cypress
- Out of 40 applicants, Sports Quest has been selected as 1 of 7 Feature Ministry Partners of Get Together NW. This is a huge honor and provides tremendous NetCaring opportunities within the community

BIG News! Drumroll...

After faithfully serving Sports Quest for 22 years (many on a voluntary basis), Co-Founder Debbie Spence will be moving into a full time position at HFBC, Cypress as "Administrative Assistant to the Minister of Campus Development". We are truly excited for Debbie to use her gifts & talents within the church environment, & proud of all she's done within Sports Quest since 1996. She will continue to assist on a limited, as needed basis, & we are looking forward to this period of transition with eager anticipation.
