COMMUNITY IMPACT

This summer we've had the privilege of developing positive relationships with three new possible ministry partners:

- Spring Spirit, which provides access to sports, education, and mentoring programs based on Christian principles to underprivileged kids
- Dynamic Sports Training (DST), which provides athletic development to athletes of all types

Sharing biblical truth to reach, teach & encourage next generation leaders through soccer

WHAT PARENTS ARE SAYING

“
Excellent job!! This was our first year and you exceeded our expectations!!! We will definitely be back next year!!

“
Very professional and inspirational.

“
They say there's always room for improvement, but I honestly don't think camp could have been any better. It's such a fantastic experience, my twins are going to do it again this summer.

JULY - AUGUST: HOW YOU CAN BE PRAYING

- Endurance for the rest of the summer — we still have six camps to go!
- That kids (and parents!) will be receptive to the Gospel and receive Jesus Christ as their personal Savior
- Impactful discipling of our summer staff/volunteers
- The Lord's provision through more donors/sponsors to help us expand the soccer ministry
- Safe travels to and from Rwanda Jul 30 - Aug 10, that the clinics for coaches, kids, & referees will go well, and that the Lord will be glorified.

WHAT KIDS ARE SAYING

“
Coach, why are you talking so fast? And Coach, when will you stop talking?

“
Coach, if I know already that I'm not going to do my homework, do I still need to take a homework booklet?
