"Sharing Biblical Truth To Reach, Teach & Encourage Next Generation Leaders Through Soccer"

OVERVIEW

While Covid-19 wreaked havoc with our summer soccer camp program 2020 (including cancelled mission trips to Haiti and Rwanda), the Lord graciously allowed our 25th anniversary to proceed without incident and with great success! And not only that, we were blessed to see several NEW DOORS open up for us to do even MORE ministry moving forward. Read on...!

"I wanted to share with you all our big news: My son chose to follow Jesus today! We've been having discussions for a while now and the head knowledge has been there, but he's been asking some extra big questions this week, and we know the Lord has used Sports Quest to stir all kinds of things in his heart!! So thankful for this amazing, amazing ministry and the influence it has been in the life of my firstborn babe! Our hearts are overjoyed! I couldn't have asked for a sweeter end to a really awesome week of soccer camp."

"SQ's mission statement...
Inspires me to contribute my very best
because not only am I coaching soccer, but
more importantly, I am participating in the
eternal work of building God's kingdom!"
- Sports Quest Coach

"I really enjoyed the coaches camp.
Coach Jim is a natural coach and leader with an infectious enthusiasm for soccer. It seems obvious now but the best way to learn and gain perspective on the drills you plan to implement as a coach is to actually do them, which was fun! There was nothing but positive vibes and friendly people from Coach Jim to his camp helpers to the other campers. Overall a great experience and I'd recommend it to soccer coaches of any age level."

"Sports Quest has been a great blessing to our
Cornerstone Mobile Home Park community this summer!

A few of our kids play club soccer and they were the
most eager to begin with Sports Quest each week...that's
a testimony to the quality of soccer coaching and of the
relationships built this summer. And, of course, each
Thursday session ended with a wonderful meditation
on who God is and who we are...and what God has done
and is doing among us in Jesus Christ. Learning
teamwork, leadership and soccer skills is fantastic for
young people, but Sports Quest has its eye clearly on
'the fruit that lasts' in our community! We're very
thankful for them!"

- Bob Baldwin (owner of Cornerstone Mobile Home Park)

"My parents grew up in underserved communities.

Thankfully, they both had mentors who took time to share hope and the love of Jesus with them. Because of the difference those mentors made in my parents' lives, my upbringing was radically different than the one they experienced. My desire is to be that same voice in the underserved communities to promote generational change. I'm so thankful for this opportunity, and for the people I get to minister alongside each week."

- Ashleigh Ayers (40NE Ministry Coordinator)

What's Next?

- Our special needs sessions with Home Place of Texas and Reach Unlimited will resume in September.
- Planning for Summer Camps 2022 is already underway. We are committed to enhancing and expanding this critical branch of the ministry.
- We are excited to announce the launch of our new "40NE" program which will reach underserved and at risk children year round.

"I want to say 'thank you' for your program and your message of faith that your team exudes and shares. Our family is pretty involved in church and have our usual routines. However hearing this message from Sports Quest made a world of difference in our son's interest in delving into the Bible. Thank you! He now has a goal of reading 4 chapters every day, set all on his own. You all were the right message at the right time.Thank you immensely!"
