RWANDA MISSION TRIP

Returning to Byumba for the first time since 2019. Building relationships. Coaching kids. Coaching adults. Sharing Jesus!

- **25** coaches
- **40** children
- Over **30** decisions for Christ!

HOMESCHOOL SOCCER RESTART

Pre-season, regular season (practices and games) and post-season training will allow Sports Quest to challenge and encourage around 90 homeschoolers weekly (5 teams) to live out their faith on and off the field.

SQ Mini Questers (aged 7-10 years) is a terrific "entry level" program for future Hurricanes players!

COACHES CLINIC

"Jim & his team were providing training for under 16 boys in Houston, in the mid 90's. I was 1 of those kids & have fond memories of the time spent with the team & with the SQ. I particularly remember an evening after a soccer camp, where Jim shared the Word with our group & passed out small New Testaments. I remember it almost 30 years later: the field, the sky, the way the world felt that evening. A small seemingly insignificant event still resonates after so long. It is interactions like this that help build the foundations of our faith. As a parent, & as a coach of young athletes, it is my hope to have a positive impact on our children's lives. Jim & SQ have served as models for decades & I hope to see them continue to do so."
(clinic participant and former player)

Presenting soccer coaching methodology and drills to volunteer coaches, and challenging them to use their platform to positively influence the next generation for Christ!

UNDER-SERVED & AT RISK CHILDREN

Weekly sessions at several locations have started up again!

"Thank you for spending time with our kids. It's been a huge hit & such a blessing for all of our cottage families. SQ is such a wonderful ministry and truly changing lives for the Kingdom. We are so blessed to be able to partner with you guys. Thank you again from all of us at Boys & Girls Country
- L.T. (Associate Director of Development)

SPECIAL NEEDS ADULTS PROGRAM

AT A GLANCE...!

"I choose Sports Quest for the quality of soccer but more importantly the emphasis on Christ. My son is a great soccer player but I'd much rather him be a great lover of God! Thank y'all for combining the two- I love this camp!"

"We loved the camp! We were grateful for the daily handout, scripture memory & the prayers. Neither of my children are super athletic but they both came home begging to play more soccer due to the encouragement & fun they received from the coaches. Thank you so much."

"My daughter had a great time at camp. You have an amazing ministry & I am so glad we were able to participate. I will highly recommend this camp! The spiritual training lessons each day were really great. You are ministering to the kids, coaches, & parents."

"The whole thing, amazing. Great leadership. Great concept. Great Christ-centered focus. Great staff and team members. My sons were blessed by this. Perfect. God bless each of you."

JOIN OUR TEAM!
