EXCELLENCE IN CHRIST-CENTERED SOCCER TRAINING SINCE 1996

"Soccer camp was beautiful! All the staff volunteers did an extraordinary work, and the families were very grateful for the teachings. They were amazed to hear from their kids that they had a homework assignment to do related to the Bible and Jesus's message of love, hope and grace. May God keep blessing you for what you do." (Pastor - Local Church Partner)

"Because our son was able to attend, one of his closest friends registered to attend and actually gave his life to Jesus while attending soccer camp! Our daughter had such a sweet time learning the sport of soccer and now wants to play all the time! Thank you for the quality soccer education BUT, more importantly, the investment you've made in the children's spiritual journeys!" (Parent)

"As a parent, I appreciate how much value this camp provides. Not only did my son grow as a soccer player, but he also gained character. The inclusion of gospel messages, team-building skills, and sportsmanship teachings is invaluable."

"What a great week and harvest for the Kingdom! Your team did an amazing job - once again. We love you and love what God is doing through Sports Quest. So good!"
(Pastor - Local Church Partner)
